

REMARKS

The foregoing amendments restate those submitted in the Preliminary Amendment filed December 14, 2004, which were not entered due to allegedly being defective for not being a page-for-page substitution. It is believed that the defect has been overcome by the Response to Notification of Missing Requirement under 35 U.S.C. § 371 in the United States Designated/Elected Office (DO/EO/US) filed on even date herewith; therefore, entry of these amendments is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'T. E. Holsten', written over a horizontal line.
